An exciting world of learning

Helping others in need

One of our Year 6 children has really impressed up with her kindness and thoughtfulness this week. She asked if we could raise money for animals hurt in the recent fires in Australia. As a school, we have all been wearing our own clothes today and brought in money for this cause. We are very proud of how our children want to help raise awareness and funds for others in need.

Mobile Phones and Social Media

This week we have been teaching the children how to keep safe on the internet. This was well timed, we have had a recent incident of children attempting to film themselves on school and upload this to social media. Children have been talking about different apps they use and how they might be putting themselves in danger without realising it. Parents came into school to talk about this too, follow up parent forums are planned from next term (this session was a big success.) We would like to work together to help our children learn how to behave responsibly online and keep themselves safe. For further information, please visit https://www.saferinternet.org.uk/safer-internet-day/2020

As part of this work, we are re-sending the acceptable use of ICT policy home for older children. Please read through with your child and send back when it has been signed. Thank you for your co-operation with this.
