

## English:

We will start the term looking at 'The London Eye Mystery', which will lead us into suspense writing.

Following this, the focus will be on information texts, reading the book 'Fairground Rides' to explore the features of this text.

## R.E.:

We will look more at Sikhism and the traditions of the religion as well as the stories and their relevance today.

## Homework:

Homework and spellings will be sent home on Friday. Homework is due in on Wednesday, and spellings will be tested the following Friday.

Reading books should be read at least 4 times a week, with parents/carers to sign the reading record books. We will be using PurpleMash as well to support children's learning.

Our theme in Year 5 this term is:

# Fairgrounds!

## Theme:

Our enquiry question will be 'How can we make a fairground ride?'. We will explore the effects of the force of gravity, air and water resistance, which we will relate to different fairground rides. Design Technology this term will include designing and building their own product based on forces.

## Maths:

In term 3 we will learn more about:

- Written multiplication and division
- Measurement including perimeter and area.

## PSHE:

Linked to the British values, our right respecting articles this term are:

- Every child has the right to an identity.
- The right to express views, feelings and wishes.
- The right to relax, play and take part in cultural and artistic activities.

## PE:

PE will be on Wednesday. Please ensure all children have their kits in the school.

PE Kit should be made up of: Trainers, black shorts or jogging bottoms and a plain white top.
