

Literacy

This term we will be reading lots of stories about Superheroes! We will be focusing on the books 'Eliot Midnight Superhero' and Superworm'.

We will be writing lists and learning to write sentences.

Ways to help your child at home:

Listen to your child read their school reading book and ask them questions about their story.

Physical Development

We will be focusing on being fit, healthy and strong like a superhero. We will be discussing which foods are healthy and which foods we should just have as a treat. We will also continue to practice dressing independently for PE.

Ways to help your child at home:

Getting dressed and undressed independently.

Reception at Barton Hill Academy Term 3

SUPERHEROES!

This term we will be learning how to be superheroes!! We will be exploring and practicing the qualities of a superhero by being healthy, strong, kind and brave. We will also be discussing who in our lives and our communities are our real life superheroes!

Communication and Language

This term we will be practicing partner talk. We will use the listening and turn taking skills we have been learning to discuss different topics with a partner.

Our words of the week this term are:

Superhero, midnight, strong, high, low, habitat

Ways to help your child at home:

Ask your child what the word of the week is and what it means.

Maths

This term we will be introducing addition and subtraction. We will be solving number problems in practical ways using different objects.

We will also be looking at 2D and 3D shapes this term.

Ways to help your child at home:

Ask your child to count objects around the house. Can they count up to 10 objects?

Our language of the term is Urdu.

Understanding the World

We will still be going to Forest School every Friday with Miss Gregory and we will still provide waterproof suits and wellies for all children.

This term we will be exploring some of the creatures found in our forest such as worms and we will be making wormeries.

Ways to help your child at home:

Talk to your child about seasonal and weather changes.
