Dear Parents/Carers,

It has been so lovely to welcome you all back to school and be able to chat safely in the playground. The majority of the children have come back happy and regulated and are working really hard to catch up the learning they have missed. Children are also doing lots of work outside in the sunshine and we have waterproofs for when it rains.

Please have a look at the website/twitter to see some photos of what they have been doing!

Assessment

In a couple of weeks your children will have assessments to see what further gaps need to be filled ready for teaching in term two. You will have a paper update of their learning at the end of this term and we hope to resume family Learning conferences in Term 2.

Trips/Visits

We are hoping to resume some visits and trips in term two including swimming for years four and five after further risk assessments have taken place and according to all guidelines. We will keep you updated on all progress.

Start and end of the day

There is a one-way system in place. Parents/Carers must only come in through the main gate on Queen Ann Road and exit through Jarvis street. **At the correct time.**

There are painted spots for parents to stand on to socially distance while they wait. **Please do not cluster around the reception classes.**

Staff will be on the playground to assist.

Nursery children will come to the usual Nursery entrance.

Permission to walk home alone: Any children in year 5 or 6 who have this permission will leave through Jarvis Street.

Safety Measures:

- Cleaners on site at all times
- Hand gel/sanitizer/disinfectant spray in all rooms
- Staggered lunch/play times
- Identified staff to be with year groups with no mixing of groups or staff
- Identified areas/classrooms for each year group within the school
- No large gatherings
- No spitting
- Risk assessments/policies in line with all guidance and updated as necessary
- Social distancing guidelines to be followed at all times across the school wherever possible
- PPE onsite as needed
- All safeguarding measures will be followed
- Please do not be on your phone in the playground
- You may be called to collect your child if they are unable to operate safely within school

Please check the website for homework

Have a lovely weekend

Emma Tovey
