An exciting world of learning

This week, we have had some exciting learning experiences including a trip to We the Curious and a Messy Science Day. The children had lots of fun and extended their knowledge - learning can be a lot of fun!

Polite notice

Please be respectful of our school grounds by not spitting. We have had some complaints about this behaviour, it can be unpleasant for the children when playing and could be a safety issue if somebody slipped on it. Thank you for your cooperation with this.

Our Language of the Term is Kurdish

Children have been learning about the language and learning to say a few words in Kurdish over this term. Thank you to those parents who have visited to help us with this - the children really enjoyed and benefitted from this. We have planned a celebration of learning about the Kurdish language at the end of this term, children will be sharing what they know in a whole school assembly.
