## An exciting world of learning

**This week has been another one of celebration! After last weeks art week with the theme "We are Barton Hill", we had a very exciting event to look at all the work the children have produced - and more! There was food, costumes, music, performance as well as a LOT of dancing! A huge thank you to Mrs Isaac and Mrs Pontin who organised the art and event as well as to everyone who brought in food for others to enjoy. We all had a great time and look forward to doing the same next year.**

### Halal meal options

Many of our children require Halal meat and we have always made sure that Halal meals are available, a traditional option is also offered. In our Reception area you will find certificates to show our suppliers provide us with Halal meat, please ask if you would like to be shown them or if you have any questions. We enjoy serving our community and will continue to ensure all beliefs are respected.

### Polite reminder

Please send your child in with a drink of water each day. Some children have brought in sugary juices and energy drinks - these are not healthy and can cause tooth decay. A bottle of water helps children stay hydrated and helps concentration levels - thank you for your support with this.

### Parent Forums

As many of you will be aware, parent forums take place in the Family Room at 9:00am on Wednesday's (unless otherwise stated). If you wish to attend, please visit the main office once you have delivered your children to school. Upcoming parent forums:

Wednesday 26th June: No forum due to Family Learning Conferences PM

Wednesday 3rd July: Attendance parent forum - Mrs Myring

Wednesday 10th July: Holiday homework/home-learning - Miss Palmizi, Mrs Hubbarde and Mr Ford

Wednesday 17th July: Ofsted update - Senior and Middle Leadership Team

### Social Media and E-Safety

Very recently, we have had reports from staff to say that a minority of pupils are trying to "add them" as friends on Facebook. The pupils concerned (and their parents/carers) have been contacted and advised. Please can we ask that all parents/carers monitor their children's internet usage. Facebook is a social platform for adults and teenagers and it is not appropriate (and potentially dangerous) for pupils to be contacting staff or other adults via the internet. All staff have been advised to ignore friend requests and inform Senior Leaders.

### **Homework**

Homework is available on our website each Friday - thank you for your ongoing support with this. It benefits the children to have their education supplemented and prioritised by parents and carers. The link is:
