Free School Meal Vouchers – Answers to Frequently Asked Questions:

1/ Everyone should by now have received their free school meal vouchers of £45 per each eligible child.

2/ The allocation is £15 per child per week - 3 weeks' worth (30th March, 6th April, 13th April)

3/ If you did not submit your email address then your cheque number and voucher code was sent by second class post to your home address on 3rd April 2020.

4/ All enquiries regarding problems using the vouchers should be emailed to: enquiries@vouchershop.co.uk
The school does not have additional guidance on using these vouchers.

5/ We are aware that some families did not receive a voucher for all of their children. In the first instance, please ensure that you have applied for free school meals for all of your children at the school using the following link:

<https://www.gov.uk/apply-free-school-meals>

We will investigate this further once we are back in the office.

6/ If you have not yet forwarded on your email address, please urgently email: info@bartonhillbristol.org with your child/rens name/s and class so that we can send future vouchers to you quickly. **Only send us this information if you have not already done so.**

7/ The next vouchers are due W/C 21st April. These will be from a different provider but will work along the same lines. We are still working on this so please be patient whilst we get these sent out to you.

8/ The Magic Breakfast home delivery scheme is not organised by the school itself. It is still in its planning stages and as yet we don't have any further information for you. We will send you updates once we receive it.
