Dear Parent/ Carer,

Next week (Monday 17th September onwards) marks the beginning of Global Week at Barton Hill! As we represent a diverse community rich with culture, we want to learn about and celebrate different countries throughout the World.

As part of our geography curriculum, each Year Group will be exploring key questions and information in relation to a specific country. Perhaps you could ask your child to share their learning each day and do a little bit of extra research with them at home!

We are also very excited to announce that as part of the week we will be hosting several different workshops focussing on African culture. The workshops will include African Drumming and African Dancing. Every child will have the opportunity to experience one of these workshops. Additionally, we will be hosting a Y4 – Y6 performance on Friday 21<sup>st</sup> September at 2:45 so that pupils can show off their amazing dancing.

Due to the cost, we are asking that each child contributes £6.00 in order to experience a workshop.

---

Please pay £6.00 contribution via the **Parent Pay** system, which is available online at
