Dear Parents and Carers,

I am delighted to be able to attach the letter sent to us following the recent monitoring visit by Ofsted. The inspector was very pleased with our progress. In it, she says:

- Mrs Tovey demonstrates a determination and clarity of purpose.
- The current vice-principals have brought a wealth of expertise to the school.
- Expectations for staff are clear.
- There is a consistent approach to evaluating the quality of teaching, learning and assessment.
- Improvements to the teaching of phonics have resulted in an acceleration of pupils' progress.
- The early year's provision has undergone significant improvement.

Her overall conclusion is that leaders and managers are taking effective action to improve the school.

Whilst we are delighted by this conclusion, we are not surprised. We are already seeing the results of all our hard work in the achievements of your children this year. We will hold a further meeting for parents after Easter to discuss our progress.

Kind regards

Mrs Tovey
Principal
