Dear Parents and Carers

Parent Academy Improvement Group – replies by noon on 10<sup>th</sup> November 2017

We are going to trial setting up this group, to give parents a big say in the improvement of the school. Members would represent the year group of one of their children. So many of you have been real supporters of this school and we like to hear your ideas and concerns.

It is important to us that you get to know the school so that you can help us the most. Responsibilities include:

Consultation with the Principal, the Chair of Governors and the Parent Governors 6 times a year about the development and progress of the school.

- Communication with and representation of your year group.
- Regular attendance at the Parents’ Forums on a Wednesday morning.
- Joining the Friends of Barton Hill to assist in putting on social functions and fundraising for the school.

I do hope that you will consider putting your name forward. If you want to discuss it, please do get in touch and I will be happy to help. Otherwise, please fill in the form below and we will be in touch to tell you next steps.
