Dear Parents

At Barton Hill Academy we use a programme called PiXL to support the children in their learning. PiXL have now developed a times tables app to help build the children's knowledge and understanding of their times tables.

Having sound knowledge of the times tables facts is important to all areas of mathematics and from 2020 there will be a test on times tables for Year 4 students. This means we need to support our children in any way that we can to develop their understanding in this area.

The app is completely free and is able to be downloaded from all the major app stores. It is also linked to our school account so results can be monitored by the classroom teachers. The picture below shows you what to search for in the app store.

### PiXL Times Tables

Mr Ws Lab

Free

Once you have downloaded the app and opened it you will see the screen below. The information for your child's own login is attached to this document. The school ID is BH5343, the userid is the 5 digit number and the password is the combination of words and numbers. If you lose this information please see the school office for a copy of your child's details.

Welcome to the PiXL TT App

Please enter your school id

Please enter your userid

Please enter your password

Please note that you can use your Maths App login details.

Login

Yours sincerely

Sam Turner  
Assistant Principal  
Barton Hill Academy
