Dear parent / carer,

We are very pleased and proud with how the Reception children have settled into school. We have already started teaching early reading skills and will soon be sending home books for your child to practice with a parent / carer. Helping your child with their reading is very important, with this in mind we would like to talk to parents about how we teach reading and how you can support your child at home.

We will be holding this information meeting at school on Monday 28th September at 2:00. We will ensure that everyone is socially distanced, provide hand gel as you enter the hall and leave via the back hall door. Chairs will be cleaned with sanitizer and door will be open to provide good air circulating. We ask that you don't bring younger children to this meeting to minimize the number of people in the hall. Please let us know if you are able to come to the reading information meeting by texting or phoning the school. Thank you for your support and we look forward to seeing you.

Best wishes,

Mrs. Kent

Mrs Kent (Vice Principal)
