Dear parents/carers,

At the end of the day yesterday (Thursday 20th September), we had information that a man was seen trying to grab hold of a child through secure railings. In response, we asked you to collect your children, requested staff be extremely vigilant and reported the incident to the local police. We also ensured that several staff were on hand to oversee the main exit gate.

Thank you to all parents for their swift response in collecting their children at such short notice. Please feel reassured that your children are safe and that the safeguarding of all pupils is our number one priority. If you have any queries, please do not hesitate to speak with our Senior Leadership team who are on the playground before and after school. Many thanks for your continued support and understanding.

Yours Sincerely

Mrs. Emma Tovey
Principal
