Dear Parents / Carers,

Over the next few weeks we will be partially reopening the school to small groups of children, in line with government guidance. If this applies to you, you will be called by staff to let you know which of the sessions your child is able to attend, either session 1 or session 2.

All children in either session will be provided a school packed lunch, please only bring a bottle of water and book bags. Children should wear their P.E. kits to school and bring a coat if necessary as, where possible, learning will take place outside. Any children who need medication or an inhaler must bring this with them and hand it straight to their class teacher.
