Severe weather preparation

23/01/2019

Dear parents/carers,

In order to be fully prepared in the event of school disruption/closure caused by severe weather or any other unplanned emergency, we want to be confident that:

- A/ we have the most-up-to-date contact information for you
- B/ you are aware of our communication channels

If you have recently changed any of your contact details and not let us know, please do so **as soon as possible** either via the main office or to your child's class teacher so that we can update our records.

- We will primarily communicate school closure/emergency messages to your mobile phone via text message.
- Please also check the school website: www.bartonhillbristol.org for important notifications which will pop up on the home screen.
- For those of you who have a Twitter account, please follow us @BartonHillAc where we will also notify you regarding any important announcements.
- The local government webpage will also advise you if the school is closed. You can access it by following the link:
<https://www.bristol.gov.uk/schools-learning-early-years/school-closures-list-of-schools>
- Finally, local radio will announce any school closures caused by severe weather.

Don't forget that our website can give you the latest school news, upcoming events, homework, contact information and much more!

Thank you

Emma Tovey
Principal
