Dear parents/carers

In the event of severe weather, we will endeavour to alert you of the schools closure by means of a text message to all parents.

Do not rely on this method of notification. Please also check the school website where you will see a notice on the home page advising that the school is closed.

[www.bartonhillbristol.org](http://www.bartonhillbristol.org)

We aim to communicate this information to you by 7.30am at the latest. If there is no notification on the website and you have not received a text, then the school is open.

There will also be notifications on the local authority website and the local radio stations: <https://www.bristol.gov.uk/schools-learning-early-years/school-closures>
