Dear parents/carers

In the event of severe weather, we will endeavour to alert you of the schools closure by means of a text message to all parents.

Do not rely on this method of notification. Please also check the school website where you will see a notice on the home page advising that the school is closed.

[www.bartonhillbristol.org](http://www.bartonhillbristol.org)

If you have the Cleverbox School App, you will also receive a push notification to your phone. We aim to communicate this information to you by 7.30am at the latest.

If there is no notification on the website and you have not received a text, then the school is open.

There will also be notifications on the local authority website and the local radio stations:
