Dear Parents/Carers,

We are having a 'Fun Phonics Week' in our Academy during the week of the 5<sup>th</sup> of February. The week will be alien themed, and the children will be practicing applying their phonic knowledge and reading skills. We will be playing lots of games during phonics time, and we will be getting creative in the afternoons.

On Friday the 9<sup>th</sup> of February we would like to invite you into our Reception Classrooms at 9:10am to join in with your child's phonics lesson. You will be able to watch your child participate in a phonics lesson, and gain an insight into the daily teaching of phonics. You will be able to stay in the classroom until 10:00am to play phonics games and carry out activities with your child. You will be able to ask the class teacher any questions you have and you will be able to see what the children have been making during the week.

We do ask that you do not bring siblings or young children into the classroom. This is to minimise disruption to the learning of the children.

We hope that you are able to attend the session to learn alongside your children, and we look forward to seeing you.

Amber Kew  
Phonics Lead
