Dear Parents/Carers,

We are having a 'Fun Phonics Week' in our Academy during the week of the 5th of February. The week will be alien themed, and the children will be practicing applying their phonic knowledge and reading skills. We will be playing lots of games during phonics time, and we will be getting creative in the afternoons.

On Friday the 9th of February we would like to invite you into our Year 1 and Year 2 classrooms, from 2:30pm until 3:00pm. The children will be able to share their work with you from the week and show you what they have been creating. You will also have the opportunity to ask your child's class teacher any questions that you may have about phonics or reading.

To minimise disruption during your children's learning, we ask that you do not bring younger children or siblings to the morning session.

We hope that you are able to attend the session to learn alongside your children and we look forward to seeing you.

Amber Kew
Phonics Lead
