Dear Parents and Carers,

Thank you so much for all your support over the last two terms.

We are trying to increase the numbers at our lovely school so that we can keep the same level of staff to help the children learn and carry on with all the improvements and successes.

To do this we would like you to help us. We have four parent meetings booked for parents to come and see our beautiful school and bring their children to learn here.

Please would you share the attached leaflets with your friends and post them through the letterboxes of your neighbours!

This way we can spread the word about the improvements we are making and increase the numbers in our fantastic school.

Thank you for your help

Mrs. Emma Tovey

Principal
